

Easter Lesson

This FHE idea combines scriptures, songs and activity into one. I found and modified an idea from somewhere online that I thought was cute (Sorry, can't remember original source).

Get up to 9 plastic Easter eggs to *hide before* FHE. Words in **bold** below are things to put into each egg. You can have it be just a picture or the real item. In each egg is...

- 1) something to do with the true meaning of Easter which the family can talk about to make sure all understand
- 2) a song to sing and
- 3) a scripture to read.

Number 9 is probably a good one to end on. You can gather all the eggs and do them in order, or do them as found, or however you want. The songs included are either about Christ, Easter specific, or Springtime songs.

1. Matthew 26:26-28 **a small piece of bread** (stands for the sacrament bread) I Belong to the Church of Jesus Christ, 77

2. Luke 22:44 **a band-aid** (to stand for blood) He Died! The Great Redeemer Died—hymns 192

3. Mark 15:15 **a picture of a whip** Popcorn Popping—Primary song 242 (Spring a good reminder that life begins anew) p.s. when looking for a picture of a whip, you might try searching cat of nine tails

instead. When I searched for whip, I got mostly food items with whip cream!

4. John 19:17 **a cross made of two toothpicks** He Died That We Might Live Again—Primary song 65

5. John 20:25 **Nails** He Sent His Son—Primary song 34

6. Luke 24:2 **Rock** Wise Man and Foolish Man, 281 (Jesus is the Rock upon which we should build our foundation and a stone was rolled away from the sepulchre.)

7. Matthew 27:29 **small picture of a crown of thorns** Primary song--Did Jesus Really Live again, 64

8. Mark 15:17 **piece of purple cloth for robe** On a Golden Springtime—Primary song 88

9. Luke 24:6 **Empty** Christ the Lord is Risen Today—hymns 200

Allow for discussion about the items and their meaning and the scriptures with each egg opening.
