

Label one envelope “#1”. When your missionary opens this envelope, they will receive the instructions on the following page. (Insert the name of your missionary where it says, “Elder” at the beginning.)

Label another envelope “#2: For your companion”. Within this envelope you will put the letter to the companion and the clues that have been cut in strips on the dotted lines and also put the treasure envelope. The treasure envelope should be labeled “treasure” and should include the two printed talks as suggested below.

Mail it. 😊

Dear Elder,

You may be like Nephi (1 Nephi 2:16). If so, you will be glad to know that (Jacob 4:18). However, there are certain conditions to be met for this privilege (Alma 26:22).

Hmmm...upon further research, I have determined that (Alma 37:11). However, I do plan to share with you a treasure anyway. In order to find this treasure, you must search the clues diligently. Then you will have solved at least one mystery.

Please give the sealed envelope labeled "to Your Companion" to your companion. While he follows the instructions therein, you must close your eyes, or remain hidden from him in a location of his choice.

Hope you have a bit of fun with this.

Love,  
Mom
