

Scripture Presents

It is always good to get a little more scripture reading in, so for this care package, you should include a note on top with a little message. The message should tell your missionary to read the verse and try to guess what is in the package before opening it, based on what the scripture says. Attach the scripture reference to the wrapped package. Put all packages in a box and send it off!

1. D & C 89:14—instant oatmeal (grain)
2. Samuel 17:40 & 50--slingshot
3. D & C 76:22—family testimony
